## Cheques

Following on from our Bank's decision not to accept cheques after the end of June 2021 we have to advise that as from the **31st March 2021** we will no longer cash cheques or accept cheques for any form of payment.

We ask you plan for this change and arrange another type of payment, eg: cash, Eftpos or internet banking.

## Price Increases

Dear Members

It is that time of the year that we sit down and review the price increases that our suppliers have placed upon us recently and the increases that will be placed upon us shortly.

Working through the above I advised the committee that the cost of product and wages alone will increase by around 6%.

There was a lot of discussion around the committee table about the 6% increase and it was decided by the committee we would only pass on to our members a price increase of 2.5%. This 2.5% increase will take effect as of 1st March 2021.

I ask that you don't harass the staff regarding these increases as the decision is not theirs. If you have any concerns please contact me directly.

Bruce McCarrison  
PRESIDENT

## Pets in Cars

We urge our members not to leave their pets in the car while they're in the Club.

Even though you may have left water in the car and the windows down it can still reach really high temperatures in the vehicle, especially this time of the year, and there is no way for a dog to cool down.

SPCA Chief Executive Officer says:

*"If you love them, don't leave them. Don't risk the welfare of your pet while it waits for you in a hot car."*

*"Always take them with you when you leave the car, or if they can't join you, leave them at home."*

## **Cue Sports Adjunct**

Adjunct Club nights have resumed again for 2021 – 7-30pm every Thursday until we start the Business House League on 13<sup>th</sup> May.

### **Tournaments**

#### **Lynn Scott Memorial Trophy**

This is a singles tournament for Adjunct members only, and was played on Sunday 14<sup>th</sup> Feb.

There were 30 very competitive players entered in five sections (six players per section)

Sixteen players made it through to the knockout stage (best of five format).

It was pleasing to see two of our formidable female players (Leanne and Gayleen), not only making the last sixteen but competing into the final stages.

Leanne in the Quarter Finals and Gayleen in the Semi Finals.

The final was a tense but good natured struggle between Phil Bucknall and Dave Morris which went into the fifth frame with Phil running out the winner 3-2.

### **New Member Information**

#### **Club Nights**

Every Thursday night, when not playing Business House League, is our Adjunct club night where we run various Pool evenings and events from 7-30pm until around 10-30pm.

#### **Business House League**

Played on Thursday nights from 7-30pm – this runs from May to October with prize giving on the week following the final night.

#### **Pyramid Challenge Ladder**

This is an 8-Ball challenge ladder for Adjunct members to test their abilities in best of three matches against players ranked above them.

#### **Adjunct Fees**

The Cue Sports Adjunct fees are \$10.00 per calendar year (Jan to Dec) and can be paid at anytime to our Treasurer – John Beattie.

The fees will mainly be used for upgrading trophies, prizes, and to provide a few nibbles before we break at Christmas.

### **Adjunct Notice Board**

Please view our notice Board (alongside pool table 1) for any tournament lists to add your name to or other information pertinent to Cue Sports Adjunct members.

Good Luck and Good Health

Our Adjunct has come to the conclusion that if you want to know when we will have nasty weather, just check the dates for our booked fishing charters!

Once again, the weather prevailed and our planned trip on 16 February was cancelled due to gale force winds. We are hoping the next trip will go ahead as planned on 11 March however.

We have another trip scheduled for April – just awaiting the exact date for this one.
